

GO/NO-GO GAUGE: UNION, 2" 602/1002 FEMALE SUB GO, 2" FIG 1502 FEMALE SUB NO-GO

Part Number and Description: FMC Technologies p/n P511389 - Go/No-Go Gauge: Union, 2" 602/1002 Female Sub Go, 2" Figure 1502 Female Sub No-Go.

Purpose: The purpose of this Gauge is to be able to readily tell the difference between a 2" Figure 602 or 1002 Female Sub and a 2" Figure 1502 Female Sub.

Operating Instructions: Try to install the Gauge over the external Acme threads of a 2" Figure 602 or 1002 Female Sub or a 2" Figure 1502 Female Sub. If the Gauge "Goes", then the female sub is a 2" Figure 602 or 1002 Female Sub. If the Gauge does not go over the threads, or "No-Go", then the female sub is a 2" Figure 1502 Female Sub. This Gauge is designed to be used only with 2" Figure 602, 2" Figure 1002 or 2" Figure 1502 Female Subs.
