

TOPCO OILSITE
PRODUCTS LTD.

*"Quality Products and Services
for Fluid Control"*

Commitment To Safety

Topco Oilsite Products Ltd. is committed to protecting from accidental loss all its resources including people, property, physical assets, and the environment. We expect that staff, contractors, and clients will share in this responsibility to a safe and healthy workplace.

Management will provide and maintain a safe environment in accordance with industry standards and legislative requirements. Staff will be equally responsible to prevent loss from within our working environment.

Safe work practices and job procedures are clearly defined in our Topco Safety manual. The acceptance of this safety program by all stakeholders will ensure that everyone has the benefit of a safe workplace.

Alan Huehn - General Manager
